For school tax purposes, the over 65 and disability residential homestead exemptions create a tax ceiling.

Properties receiving a general homestead exemption may qualify for a limited appraised value. The limited appraised value will not exceed 110% of the prior year's appraised value. However, the market value may still be reflective of the local real estate market.

### **Disabled Veterans**

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability, disabled veterans are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs. Current exemption amounts, as based upon these ratings are as follows:

<b>Percentage Disability</b>	<b>Exemption Amount</b>
10-29%	\$5,000
30-49%	\$7,500
50-69%	\$10,000
70-100%	\$12,000

The surviving spouse and minor children of a member of the armed services who dies while on active duty will receive a \$5,000 exemption.

### **Other Exemptions**

Other commonly occurring exemptions are:

- Cemetery Exemptions
- Religious Organizations
- Charitable Organizations
- Veteran's Organization

Other less frequently occurring exemptions are allowable and described in Chapter 11, Property Tax Code.
